

Susan Adams

DISTRICT 1 SUPERVISOR

Dear Friend,

I feel privileged to have served on the Marin County Board of Supervisors and look forward to my next term working with you. As your Supervisor I have listened, done my homework and followed through on promises. I'm proud of the work I've done serving the needs of our neighborhoods.

Your support means so much to me as we work together protecting Marin's health, environment and quality of life.

I love my job and would appreciate your vote on June 8. Thank you.

Susan L. Adams

Promises kept:

- Worked with fire agencies on vegetation management and disaster preparedness.
- Established and enforced strong restrictions on the San Rafael Rock Quarry.
- Joined the City to help purchase Gold Hill, a gateway to City and County open space.
- Helped Lincoln Hill neighbors finalize the Highway 101 Gap Closure Project and much needed sound walls.
- Protected St. Vincent's/Silveira and established a new "Baylands Corridor" in the Countywide Plan.
- Fiscally responsible: does not participate in the county pension plan or take a car allowance.

"Susan is not afraid to take on powerful corporate interests like Comcast, Sutter Health, the Dutra quarry, and PG&E. We need her strong voice for working families and the environment."

— Françoise Lepage

Susan's priorities for the next term:

- Push for the best operating plan for the Quarry to protect the health of residents and local environment.
- Finish critical flood zone projects and restoration of Miller Creek and other habitat improvements.
- Continue to build safe and accessible bike and pedestrian pathways.
- Maintain stability in the county budget.
- Ensure final plans for the St. Vincent's/Silveira properties protect habitat and wetland resources for future generations.
